

October 15, 2006

3168 Pilgrims Drive
Douglasville, Georgia 30135

Dear Ladies and Gentlemen,

Words just can not express the feelings we are experiencing since moving into our new room addition on our 18th wedding anniversary day, September 3, 2006

We are truly blessed, humbled and overwhelmed with joy to each and every individual that sacrificed, volunteered and donated their time, skill and energy, finances and materials towards this building project under the direction, love and support of Hamlin Construction, Inc./Homes by Hamlin, Pete and his loving wife, Jennifer.

Thank you for making a positive impact on our lives as we live with this beautiful and wonderful blessing you all blessed us with, our family as a whole. Your contributions to this project are invaluable.

May God continue to bless you all personally, along with your businesses and franchises as you continue to spread your labor of love to the many lives you come in contact with.

God bless you and thank you again for an awesome addition to our home.

Grateful with Deep Appreciation,
Mr. and Mrs. James and Audrey McGee
And children: Erika, Kenya and Quentin McGee
